

## **URBANA HIGH SCHOOL**

*“Gladly Would We Learn and Gladly Teach”*

Urbana High School is a vibrant, diverse, and innovative community of learners. The educators of UHS are committed to doing whatever it takes to help all students achieve their personal greatness. Urbana High School offers a wide variety of student supports, unique academic opportunities, with emphasis on rigorous coursework, increased communication with parents, social justice and a broad array of elective and athletic options. UHS is the premier comprehensive public high school in the community. UHS students find themselves wrapped within a caring learning environment that promotes academic achievement. The highlights and examples that follow demonstrate just a few of the ways Urbana High School serves students and families.

### **Urbana School Health Center (USHC)**

The Urbana School Health Center (USHC), located in historic Urbana High School, consists of a seamless partnership of trusted local agencies dedicated to the health and well being of Urbana's students. The services provided at USHC are available to ALL Urbana School District students, from early childhood to seniors in high school, and are available all-year-round. When students are in school, services are available during the school day, allowing for consistent and convenient carefree medical and dental treatments. From routine exams and procedures to acute care issues stemming from injuries or chronic disease conditions to counseling and wellness programs - USHC's community care approach ensures the best care possible for Urbana's students.

These services are provided in partnership with:  
Urbana School District #116  
Champaign-Urbana Public Health District

Crossing Healthcare dba Community Health Improvement Center/CHIC

### **Professional Development at Urbana School District #116**

The Office of Professional Development at USD #116 has a long, rich history of providing mentorship, resources, and information for Urbana's teachers, administrators, and staff. Urbana School District has a Unified Professional Development approach to create consistency in our professional development practices early childhood through 12<sup>th</sup> grade and develop a culture of professional learning focused on supporting and challenging each student in all of his/her academic needs. In addition to organizing and conducting workshops, they also assist schools in the School Improvement Planning process by providing professional development to staff aligned to their student-focused school improvement goals. Each year, the Office of Professional Development hosts New Teacher Orientation, District-wide Institute Days, fall, spring, and summer PD workshops, as well as unique opportunities such as Leading for Racial Equity.
